**Crisis in indigenous .newsprint industry**

185. SHRI S. S AHLUWALIA: Will the Minister of INFORMATION AND "BROADCASTING "be. pleased to state;

(a) whether it is a fact that after .allowing duty free import of news-print the indigenous .newsprint industry is in doldrums;

,.. (b) if .so, .what.... are, ... the details thereof;..

(e) whether; it is also a fact that The big newspaper establishments are violating the norms prescribed for importing newsprint and not purchas-ing the prfescSbed indigenous news-"/prihr; and

(d) if so, what action Government propose to take tq,save the indigenous '- newrepapelr induustry from closure and ' ensure that newspapers- do' purchase the prescribed quantities of indigenous newsprint?.

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P.. SINGH DEO): (a) and (b) Repres- entations have been received from tne Indian, Newsprint Manufacturers' Association and newisprint mills stating inter alia that due to their lower scale of production, higher cost of irriputs, obsolete technology, higher energy consumption and lower recovery etc they cannot compete with imported newsprint which is brought in on duty free basis.

(c) and (d) Big newspapers with annual entitlement of more than 200 HTs of standard newsprint are allowed to import any quantity of news-is. print on the condition that for every two MTs of indigenously produced newsprint purchaed by them, from the scheduled mills, they can import one MT of standard newsprint. Entitlement certificates for procurement of newsprint are issued to only those newspapers who submit returns indicating-the quantity of newsprint imported and purchased from the scheduled indigenous newsprint mills during the previous year duly certified by * Chartered Accountants to the effect that 2:1 formula has been complied with. Therefore, there is ordinarily : no scope for violating the condition -prescribed for import of newsprint.

**Transmission . and distribution loss loss of power**

138 SHRI KRISHAN LAL SHAR- MA: Will the Minister of POWER be ' pleased to state;

(a) whether it is a fact that inter- national average of transmission and distribution loss of power ranges bet- ween 10 to 12 percent whereas it is 20 to39 percent in the country;

(b) the break-up of transmission and distribution losses, State-wise, during the last three years;
